Platform closure at Woolwich Arsenal Station

Until Sunday 20 August 2006, platform 2 at Woolwich Arsenal station will be closed to enable construction work to be carried out for the Docklands Light Railway extension. During this period the following train service alterations will apply to journeys from and to Woolwich Arsenal station.

Travelling from Woolwich Arsenal Station

The London bound platform remains open and trains call as normal during the construction work. Train services for stations to London will operate as normal. Passengers travelling from Woolwich Arsenal towards Abbey Wood, Dartford and stations to Gravesend and Gillingham should join a train towards London then change at Charlton. At Charlton please change platforms then join train services in the other direction towards the required destination. In most circumstances this will add around 20 minutes to the journey time. Although this journey can also be achieved by changing at Woolwich Dockyard, please note that there are fewer services calling there and waiting times between trains may be significantly longer. The connecting journey via Charlton is not available on the first train services at the start of the day. In this case the following replacement early morning bus services will operate from Woolwich Arsenal and connect with trains at Plumstead.

WOOLWICH ARSENAL	depart	0518	0548	0603	0619	0654
PLUMSTEAD	arrive	0525	0555	0610	0626	0701
CONNECTING TRAIN	depart	0533	0604	0625	0654	0709

Travelling to Woolwich Arsenal Station

Train services from Gillingham, Gravesend, Dartford and Slade Green travelling towards London will call Woolwich Arsenal as normal. All trains from London which run via Woolwich Arsenal will now call at Plumstead. Passengers should travel to Plumstead then change for a train service in the other direction, towards London, which will then call at Woolwich Arsenal station. Passengers using late night services, should also change at Plumstead then join a connecting replacement bus service for Woolwich Arsenal.

A new timetable from Monday 21 August 2006

This pocket timetable will be reissued to show train services calling normally at both platforms at Woolwich Arsenal from Monday 21 August 2006.
